This Ministerial Association pays \$75 toward utilities once a year. Also available for emergency—gas cards for folks needing fuel to get to doctor appointments, usually in Charleston or Morgantown. Occasionally, we can pay for a motel room ONLY IF there is a plan

in place (for example, one person could get into housing in two days when they got a paycheck.) We have also paid for propane and, on occasion, helped to purchase a water heater along with another agency. We do not pay rent, mortgage, insurance, or cell phone.
